

DON'T WAIT UNTIL TAX DAY

## Get Active Throughout Tax Season

Last winter NWTRCC promoted **DAYS OF WAR TAX ACTION** between *Martin Luther King Jr. Day* and *Tax Day* under the theme “Divest from the Pentagon, Invest in People.” The Coordinating Committee renewed its commitment to tax season actions at the November 6, 2016, meeting. The slogan has shifted slightly, but we hope involvement of groups and individuals grows exponentially. Tax Day 2017 is **Tuesday, April 18**.

### **TAX SEASON 2017 COORDINATED REDIRECTION**

- ***Stand against racial injustice and militarism*** •
- ***Strengthen connections between our movements*** •

The Coordinating Committee also supported a coordinated redirection effort for tax season, with an emphasis on redirecting to black-led organizing as part of our emphasis on being allies and building stronger relationships. The choices for this redirection effort will be decided and carried out by local groups or individuals who pool their refused taxes with others. NWTRCC will provide support, gather information, and publicize how much was redirected in total. If you are interested in coordinated redirection efforts in your area, please get in touch!
