### **Technical Assistance**

- Composed Counseling Notes for newsletter.
- Have taken many calls/emails on the basics of WTR, first IRS letter recipients, W-4 form, non-filing, etc. This was the busiest tax season for phone calls.
- Continued the quarterly Counselors' Conference Call. The October, January, April, and July meetings were well attended (about 8-12 folks on Zoom & 2 or 3 listen to recording afterward).
- Planned our yearly WTR Counselor Training via Zoom on February 21, 2026. We added two new area contacts.
