Today, YOU are invited to sabotage the cash flow into the military industrial complex by committing to make a small donation of \$10/month for the next 3 years. The consistent flow of cash, big or small, goes a long way to create the world we need! Also, buy a copy of "Death & Taxes" so you can start a small discussion group that can turn into a to begin refusing to cooperate with warmongers & warprofiteers!

“Congress appropriates more than 70 times the amount of money for the military as it does for the Federal Emergency Management Administration’s (FEMA) Disaster Relief Fund.”

“Spending for War vs. Natural Disaster Relief,”
by Chris Ernesto, Global Research, 10/16/17

So, will you join me and the National War Tax Resistance Coordinating Committee in divesting from war and investing in people, peace, & planet!?
Now is the time to...

RISE UP! DIVEST! RESIST!

Join the struggle today & give to NWTRCC!

Keep on keeping on!

Peace & Good things,
