

# We Refuse to Pay for War!

**N**early half of the federal income tax is funding endless war and war preparations. In good conscience, we will not pay this war tax. Some of us live below a taxable income. Many of us who are taxable have chosen to re-direct our refused taxes to organizations that provide for basic human needs. To explore this form of conscientious objection, please contact the National War Tax Resistance Coordinating Committee at [www.nwtrcc.org](http://www.nwtrcc.org) or (800) 269-7464 — for information, literature, counseling and guidance.
