Thomas M. Tryniski

Two Israeli patrols have tried to cross into its territory two attempts by Israeli patrols in the Valley. He said another 50-

Two Israeli patrol units were attempting to infiltrate with attempting to infiltrate Jordan. A spokesman said the territories.

Yigal Allon urged the Israelis to take his mission back to East peace settlement and Jordan. He said Jordan was ready to do so. Israel had no plans to return to the territories.

Gynecologist says new estimates of the pregnancies among women in lower social classes end with abortions. "The epidemic of serious proportions."

Akhbar said Jarring had decided to move his headquarters to Israel, where he will have contact with the Arab nations intend to take peace issue back to the United Nations. Mr. Jarring, who passed away on April 17, 1957, at 70 years of age, founded the New York Telephone Company in 1886 in Potsdam, New York. He is a member of the Northern Area for alumni who is general manager of Mobil Corporation.

POTSDAM — Rell System

A clean engine is better than a dirty one. You don't have any choice about getting it dirty. A dirty carburetor can waste a lot of gasoline. A clean engine runs smoother. And a clean engine starts easier.

Before we tell you how new Mobil Gasoline helps keep your engine clean, we'd like to tell you why a clean engine is better than a dirty one.

What's so good about a clean engine?

A clean engine keeps your gasoline from going to waste. A dirty engine gets clogged. A clean engine gets the most out of your gasoline.

A clean engine runs smoother. And start cleaner. A dirty engine is more likely to break down, and cost you big repair bills.

A clean engine is good for how it's good to have a clean engine. It's good to help get a clean engine.

A clean engine can save you a lot of money. And the better your engine runs, the more money you save.

How to help get a clean engine?

When you buy a brand new car, you also get a brand new engine.

And the first thing you do is go out and start getting it dirty. One way you get dirt is by burning gasoline. You can help keep your engine clean by using Mobil Gasoline.
