A PEOPLE'S TAX REFORM

Tax reform, when it comes from the top, best serves those at the top. A people's tax reform is a transfer of tax money from wasteful and dangerous spending to local uses that increase individual and community well-being.

To take part:

- **Calculate and show your federal tax liability.
- **Make out your check for \$1 less than the total due.
- **Clip and enclose the coupon on the far right with your federal tax return to the IRS.
- **Send \$1 and the other coupon to:

Treasurer, City of Pittsburgh
City-County Building
Pittsburgh, PA 15222

Dear City Treasurer,

Our City badly needs money now being confiscated by the federal government for military purposes. Programs to alleviate and end hunger, poor housing, unemployment, drug abuse, inadequate health care, illiteracy and environmental degradation are starving while we feed the Pentagon.

Therefore, I transfer \$1 of my federal income tax to the City of Pittsburgh to be used solely

in support of improving human well-being.

Sincerely,

Dear IRS,

Our City badly needs money now being confiscated by the federal government for military purposes. Programs to alleviate and

end hunger, poor housing, un-employment, drug abuse, inadequate health care, illiteracy and environmental degradation are starving while we feed the Pentagon.

Therefore, I transfer \$1 of my federal income tax to the City of Pittsburgh, to be used solely in support of improving human well-being.

Sincerely,
